ISSUE : 4

From the Editor's Desk

The Ministry of Finance, Government of India, **continues to be silent** about the implementation of the Madras High Court's judgment dated 16.10.2008 directing the GOI to consider and approve the Bank's proposal of 19.4.2006 for revision of pension to 7th Bipartite Retirees on the basis of 50%/40% formula. Though more than 6 months have elapsed since the pronouncement of the judgment, **the revision petition, if any, has not been filed by the Government. The petitioners, however, filed a revision petition praying for 50% pension (as against 50%/40% recommended by the Bank and judgment obtained therefor) but the hearing is yet to start.** They are also moving a 'contempt petition'. The Government is reportedly not prepared to make any departure from its earlier stand that SBI employees have 3 benefits already and, therefore, the industry formula of 50% cannot be extended. Added to that is another argument that VRS retirees (as on 31.3.2001) were given not only salary and allowances in full for the remaining period of service but also pension from the next month whereas in the other Banks where VRS was introduced, the eligible pension to such retirees were given only from the date of superannuation, viz; 60 years. Against this backdrop, any upward revision in pension at this stage in respect of 7th Bipartite retirees (VRS included) would give rise to industry level problems, they fear. This argument is ridiculous.

Our new General Secretary of the Federation, Shri P.P.S.Murthy met the officials in the Ministry for discussions on the subject and handed over copy of our letter sent to Shri Pawan Kumar Bansal, Minister of State for Finance. The Ministry of Finance forwarded that letter to the Bank and the Bank has since **replied to our Federation stating that the Madras High Court judgment did not contain any direction to the State Bank of India.** Shri Murthy also met the Convenor of UFBU, the General Secretary of NCBE and the General Secretary of SBI Officers; Federation and made a fresh appeal for action not only to end the present deadlock but also to ensure that no further discrimination is caused while negotiating the 9th Bipartite Settlement.

The Governing Body of our Federation is likely to meet shortly for formulating fresh strategies. Our Association has suggested to the Federation for filing an impleading petition in the Court without wasting any more time and to engage

Advocates of repute for the purpose, even if it results in very heavy legal expenses. A judgment from the Supreme Court itself is the only hope.

COURT CASES

DELHI HIGH COURT: The case taken up for arguments on 15.1.09 continues to be adjourned from time to time. On 12.2.09, the Honourable Judge allotted only half-an-hour for hearing the petitions of Senior Citizens and hence our case was not taken up. The same thing happened on 19.2.09 also when the case got adjourned to 12.3.09 as the Petitioners' Advocate was not available during the intervening days. On 12.3.09, the Government Counsel presented certain papers which were totally unconnected to our Pension Scheme. Our Advocate therefore pleaded before the Judge that those papers are neither Bipartite Agreements nor Agreements signed by any representatives of our Federation. Thereafter, the Judge directed the Government Counsel/Bank's Lawyer to file the documents which are appropriate and relevant to the Petition along with an affidavit and posted the case to 26.3.09. The hearing did not take place on 26.3.09 also, as the Government Counsel met the Judge in his Chambers and sought extension of time. The petition thus got posted to 23.04.09 to facilitate production of the relevant documents by the Government/Bank. On 23.04.09, the Bank's Lawyer reported sick and did not appear before the Court. The requisite documents were also not produced, which resulted in adjournment of the case to 30-04-09, on which date also the case was not heard. The case is thus getting indefinitely postponed to every Thursday. This is nothing but 'delaying tactics' adopted by the Bank as well as the Government.

As the time provided for hearing the petitions of Senior Citizens is very short and as the hearing is getting postponed for some reason or the other, our Federation is of the opinion that it may take few more months for completion of arguments by the Petitioners and the Respondents.

MADRAS HIGH COURT: The Court's order dated 16.10.2008 directing the Government to consider the Bank's recommendations has not yet been complied with by the Government, nor have they filed any review petition within 3 months from the date of receipt of the Court's order. In the meanwhile, the Deputy Secretary in the Banking Division, Ministry of Finance, accompanied by certain officials from

the Bank's Corporate Centre and Chennai LHO, made a suo motu presentation to the Honourable Judge requesting for a review of the Judgment *on the ground that the rejection of the Bank's proposal dated 19.4.2006 by the Government was not brought to the notice of the Judge before the judgment was delivered.* The Judge, however, did not accept this plea but directed the Government either to act as per the Judgment or to make an appeal before the Division Bench. We now understand that the Government is making arrangements for preferring an appeal. While the review petition filed by the Petitioners for 50% pension from the date of their retirement is yet to come up for hearing, they have informed the Government of their decision to move a contempt petition should there be any more delay in complying with the Court's Order.

KERALA HIGH COURT: There are no developments to report. The petition is yet to be taken up for hearing, despite the fact that 8 new High Court Judges have been appointed. Presumably, it will be taken up after the summer vacation.

APPEAL TO MPs:

In our last issue we had reported about the memorandum submitted to Kerala MPs and the replies received from two of them. Shri N.N.Krishnadas, MP, Palakkad, has since forwarded to us a letter from Shri Pawan Kumar Bansal, Honourable Minister of State for finance, wherein he has mentioned that our memorandum has been sent to the concerned Officer in the Ministry for appropriate action. Now that the general elections to the Lok Sabha is declared and the results awaited, we may have to wait until the formation of the new Ministry at the Centre and thereafter plan our new strategies.

STRUCTURED MEETING WITH THE MANAGEMENT

You are aware of the issues discussed at the first structured meeting our Association had with the Bank on 9.12.2008 at Trivandrum L.H.O. We propose to request the Bank for a second structured meet shortly after the new Chief General Manager of the Circle assumes office. We understand that Shri S.K. Sehgal has been appointed the new Chief General Manager and that he is likely to assume charge by the 3rd week of May 2009. We also understand that Shri V.Ramamoorthy is posted as General Manager in place of Shri Niranjan Parsha. In order to make the structured meeting useful to our members, you are requested to bring to the notice of the General Secretary, in writing, details of any specific problems encountered by you and which require a solution. Please treat this as very important.

PENSIONERS' DIRECTORY

Our revised Directory is under print and will be dispatched to members shortly. For easy reference, the names of Life Members (LM) and Associate Life Members (AFM) have been clubbed. Hereafter, the membership No. allotted to new Life members and their spouses will be the same. It can be seen that a large number of Life Members have not taken Associate Life membership in respect of their spouses. We appeal to them for taking up the Associate Membership thereby strengthening the hands of our Association.

NEW MEMBERS

The following Pensioners of the Bank who retired recently have joined our Association as Life Members during this quarter. While extending a hearty welcome to all of them, we wish them a very happy and peaceful retired life.

The new Chief General Manager of Kerala Circle, Shri S.K.Sehgal and the General Manager, Shri V.Ramamoorthy are expected to assume charge of their assignments by the end of May 2009. Though we are yet to contact them personally at Trivandrum ,we have informally obtained their approval to attend the Pensioners' Meet on 14.06.2009 and our Notice for the meeting is accordingly prepared and sent to you.

All the District Secretaries are requested to convene the General Body meetings of their members well before our AGM and forward a report to the General Secretary immediately thereafter. Needless to add, we expect our members from the various Districts to attend the AGM at Calicut on 14.06.09 in large numbers and make it a GRAND SUCCESS.

HONOURING ELDERS

As is customary, we will be honouring our elder members who have attained 75 years of age at the time of our next Annual General Body Meeting. Our State Committee, at its meeting held on 7.4.2009 at Ernakulam, decided to honour all those who have completed/will be completing 75 years of age during the year 2009. It was also decided to honour those who have completed 85 years and above. A list of those in the above category prepared by us has been sent to the District Secretaries. We request them to kindly go through the list to identify the members in their area and contact them personally with a request to attend our Annual General Body Meeting at Calicut. A brief profile of those members should also be forwarded to the General Secretary immediately.

FPP/QQP – REFIXATION OF PENSION

The PPG Department has already taken up the work of refixation of pension in respect of 8th Bipartite retirees and it will be completed within a couple of months. The arrears on account of revision from 1.5.2005 will be released immediately thereafter.

FAMILY PENSION

Family pension based on the industry level settlement is also being revised and the same will be advised to the eligible members shortly.

BANK'S DISPENSARIES – LAB TESTS

The Bank has tie-up arrangements with a few Diagnostic Centres in Trivandrum, Ernakulam, Trichur, Calicut etc. for free laboratory tests to be conducted for staff and pensioners on the prescription of the Bank's Medical Officer. The arrangement is by and large satisfactory; however, our Pensioners are not permitted to undergo "lipid profile test" which is very essential for those suffering from diabetes/ heart ailments, etc. We have recently taken up the matter with our L H O and requested them to include this item in the list maintained by the Bank. We have also requested them to identify more laboratories at all Centres where we have Bank's

Doctors. In reply, we have since received a letter from the Assistant General Manager (HR) stating that they have initiated steps to have tie-up arrangements for laboratory tests at more centres and also requested the Corporate Centre to consider including "lipid profile test" in the approved list in the case of Pensioners.
