ISSUE : 5

From the Editor's Desk

The 9th Bipartite settlement is yet to be concluded, discussions are being held at various levels. It is only after the conclusion of settlement by Indian Banks Association with UFBU, the wage settlement between SBI and our serving Staff as well as Officers Federations will be finalized. **With regard to our pending pension issues**, the indications available are that the serving Federations will take up our cause when the question of introducing the New Pension Scheme is discussed by the Bank after the conclusion of wage settlement. It is understood that the new Pension Scheme will be implemented in lieu of our existing Pension Scheme after obtaining the consent of serving Federations. As the State Bank of India Act provides for payment of pension to its retirees, the Government may not insist on introduction of the new Pension Scheme in SBI and in such an event, it is not clear as to how our serving Federations propose to resolve our issues, especially when they state categorically that they have their own constituency to protect first. The industry level negotiations reveal that no demand is made on issues like, updation of pension, 100% neutralization of dearness relief, family pension @ 30%, etc. It is almost certain that we will be losing another great opportunity if our pending pension issues are not resolved along with the 9th Bipartite Settlements.

Be that as it may, our Federation had convened a special Governing Body meeting on 16th & 17th January 2010 at Kolkata mainly to discuss further course of action. At that meeting, Shri. M.J. Raphael, our President, made a strong plea for

filing a writ petition in the Supreme Court by engaging eminent Advocates, notwithstanding the large amount of legal expenses involved. Pensions have always been related to the last drawn emoluments. If arbitrary dates, periods or computation methods are adopted by the Bank, it will be contrary to the ruling made by the Supreme Court in 2001 that the Government cannot discriminate between retired employees by applying two sets of computation method for payment of pension. The Hon'ble Judge said, "pension was a social welfare measure rendering socio-economic justice to those who in the hey-days of their life ceaselessly toiled for the employer on an assurance that in their old age they would not be left in lurch".

Consequent on the decisions taken at the Special governing Body meeting, our Federation had consulted a Senior Advocate of the Supreme Court, who has since conveyed his firm opinion that it would be proper for the Association to file a writ petition before the hon'ble Supreme Court so as to put pressure on the management to ensure distribution of SBI share on wage load meant for pension purpose for providing pension benefits as envisaged in the SBI Pension Fund Rules. The Advocate has also mentioned that all the proceedings now pending before various High Courts in India involving similar legal issues can be transferred to the Supreme Court.

Our Federation is convening another meeting of the Governing Body followed by a General Body meeting of all the Affiliates on 24th, 25th and 26th April 2010 to discuss the developments and to take important decisions.

STRUCTURED MEETING WITH THE CIRCLE MANAGEMENT

The Circle Management is yet to convene the structured meeting with the office-bearers of our Association. The meeting could not be held during 2009 because of the retirement of Smt.Radha Unni, CGM. Her successor Shri S.K.Sehgal had only a very brief stay in Trivandrum and hence the meeting could not be held during his period also. After his transfer to Chandigarh Circle there was a gap of 2/3 months before the present CGM Shri B.S.Bhasin took over. We have requested him to convene the meeting without any further delay . Members will be advised of the developments after the meeting.

REVISION OF FAMILY PENSION

We understand from the PPG Department, Trivandrum LHO that they have since completed the payment of arrears on account of revision in family pension to the eligible Family Pensioners. Our District Secretaries are requested to verify the position to ensure that no family pensioner in their area is left out.

ADVICE OF REVISED FAMILY PENSION TO THE EXISTING PENSIONERS:

PPG Department has informed us of having obtained sanction of the revised family pension (effective from 1.5.2005) in respect of the existing Pensioners and are awaiting an appropriate REPORT FORM from the Central Accounts Office to enable them to dispatch the same to individual Pensioners for record purposes. We are closely following up the matter and are hopeful that the Bank will complete this work without further delay.

LIST OF APPROVED HOSPITALS

In Kerala Circle, there are hardly 2 or 3 Hospitals in the Bank's approved list where cashless treatment is available for the Bank's Pensioners, with the result our members spread over all the 14 Districts are finding it extremely difficult to undergo treatment. A vast majority of our members do not have the financial capacity to spend large amounts for treatment at non-approved hospitals and even after undergoing treatment, they are made to wait indefinitely for obtaining reimbursement of the eligible expenses. This is causing undue hardship. It is therefore necessary for the Bank to approve as many hospitals as possible in all the Districts so that cashless treatment will be available to all the Pensioners.

DIAGNOSTIC CENTRES

The Corporate Centre, Mumbai has issued guidelines for approving pathological laboratories at every District

Headquarter for providing free laboratory tests. We understand that the existing tie-up arrangements have not been renewed by the Bank. We have requested the Bank to speed up approval of such centres so that it will help not only the working staff but also the Pensioners.

LIFE CERTIFICATES

Members are advised that Life Certificates are required to be submitted by them in November every year , to enable the Bank to continue disbursement of Pension. This year we find that a large number of Pensioners have not submitted Life Certificates, despite reminders through ATMs and notifications in newspapers. However, at our request the PPG Department has sought extension of time limit upto March 2010. To avoid any problem in disbursement of pension, members are requested to submit the Life Certificate immediately , if they have not already done so, and also make a note to submit it every year in NOVEMBER. This is very important.

REMBS – II (Modified)

The Plans A-1, B-1, C-1, D-1 and E are open for existing Pensioners (other than VRS and Exit option retirees) upto 13.10.2010. However, **new** retirees on superannuation should submit their applications for membership within 3 months from the date of receipt of their first pension. The D.D. for the subscription amount should be drawn on **Thampanoor Branch** favouring "SBI Retired Employees Medical Benefit Trust".

REMBS-I (SINCE CLOSED)

Our member Shri V.Krishnan, who retired from Palakkad Branch on 31.08.2002 had applied for membership of Scheme-I on 3.10.2002. Despite the lapse of more than 7 years, the member is yet to receive the Pass Book and confirmation of his membership. We had sent a number of letters and also reminded the Bank whenever we got an opportunity to meet the concerned officials at Trivandrum LHO/Corporate Centre, Mumbai, etc. The Corporate Centre has appointed a Special Officer to look into complaints from retirees. He was also addressed in the matter. Yet , the issue remains unresolved. Our last letter in this regard to the Special Officer is given below for the information of members. Is there an end to his waiting?

VERY URGENT

Dear Sir,

SBI RETIRED EMPLOYEES MEDICAL BENEFIT SCHEME-I

ADMISSION OF MEMBERS

Shri V.Krishnan – Retired Senior Head Messenger, Palakkad Index No.480622

The abovenamed member of “award staff” retired on superannuation on 31.08.2002 from Palakkad Branch and is drawing pension from Palakkad Branch.

The Pensioner submitted an application through the AGM, Palakkad Branch, for membership of SBI REMBS on 3.10.2002 together with a DD for Rs.4283/- drawn on Nanthencode Branch. It is now more than 7 years & 4 months; yet he has not been enrolled as a member of the Scheme-I. During this period he has made several representations in writing. We have also taken up the matter with you and also Trivandrum LHO and in response, we have been advised that the matter has been taken up with the Corporate Centre, Mumbai and the matter will be sorted out after hearing from the Corporate centre. Copies of few letters on the subject are enclosed for your immediate reference. It may please be noted that the CGM, Trivandrum LHO had informed us on 9.12.2008, in the midst of a structured meeting at Trivandrum that the necessary approval has been obtained from the Corporate Centre. Alas, the issue is still not resolved and the poor pensioner, who is already a heart patient, is incurring lot of expenses for his continued treatment. He is unable to claim reimbursement since he is yet to be enrolled as a member under the Scheme.

He is desirous of joining the modified Scheme-II recently introduced by the Bank but he is now in a dilemma as to the differential amount he has to remit. In all fairness, he should be treated as a member of Scheme-I having remitted Rs.4283/- way back on 3.10.2002. But in the absence of a confirmation regarding his membership under Scheme-I, he is unable to decide the Plan and the amount to be remitted under the modified Scheme-II and is therefore put to lot of hardship.

Considering the importance of the issue and in view of the fact that the poor pensioner has been waiting for more than 7 years, we request you to kindly look into the matter without any further delay and send him the relative Pass Book under Scheme-I (since closed), so that he can make use of the facility in respect of the treatments undergone by him.

We are endorsing a copy of this letter to the CGM, Trivandrum LHO, for information and follow-up.

Yours faithfully,

(Sd...)

General Secretary. “

In order to avoid similar problems, members are advised to obtain acknowledgment from the Bank for applications for membership of Scheme-II submitted through the Pension Drawing Branches and take up with the Special Officer or write to us, in case they do not hear anything from the Bank within 3 months from the date of application

SPECIAL GOVERNING BODY MEETING OF OUR FEDERATION

A special Governing Body meeting of our Federation was held at Kolkatta on 16th & 17th January 2010. Our President Shri M.J.Raphael who attended the meeting expressed the view that since our long pending Pension issues are still remaining unresolved, we should immediately arrange for filing a writ petition in the Supreme Court engaging eminent Advocates and be prepared to spend large amount as legal expenses. Serious discussions took place on this issue and the meeting passed appropriate resolution authorizing the President and the General Secretary of our Federation to represent to the Federations of Award Staff and the Officers of our Bank, the Top Management of our Bank and the Government of India, for resolving our pending issues simultaneously with the 9th Bipartite Wage Settlement.

Most importantly, the meeting authorized the President or the General Secretary of the Federation to arrange for resorting to appropriate legal action including filing of writ petition under Article 32 in the Supreme Court by engaging the services of highly competent and reputed Advocates for resolving our pending pension issues and for our pension improvement well in time.

LEGAL OPINION

Our Federation had consulted Shri K.Lakshminarayana Rao, a Senior Advocate in the Supreme Court, and the legal opinion obtained from him is given below for the information of members:

“I have examined the following legal question:
