11th Bipartite Settlement and After...

The protracted salary negotiation talks which began in 2017, ultimately reached its final concluding part on 11/11/2020 as both parties signed the Joint Note which explains in detail mutually agreed improvements in different areas including service conditions and salary and allowances. The issues that were left out for separate settlement within State Bank of India, more particularly in respect of special allowance carrying posts for clerical and subordinate staff, were discussed and settlement arrived at subsequently.

It is only justice that benefits come out of a particular settlement be made applicable equally to one and all of the beneficiaries who either had retired or are still continuing in service during the period of settlement. However, the settlement that arrived in State Bank of India as a part of the 11th Bipartite Settlement with regard to improved special allowance for Chief Associate has created severe heartburns among many of our brethren who retired after 1st November 2017. Many representations have been received evidently showing the disparity of allowances received by those who retired prior to and after 1-11-2020. The revised allowance for those chief associates retired prior to 1-11-2020 is fixed as Rs.7,550 and for those who retired after is Rs.11,000. Since the special allowances are reckoned for calculation of pension, the disparity will definitely result in reduced basic pension to the extent of Rs.1,725 for those unfortunate pensioners who retired prior to 1-11-2020 despite the fact that they also come under the same bipartite settlement for all other benefits. This is a clear violation of Article 14 of the Constitution of India, which ensures protection of equality among citizens and that there cannot be another group within the same homogenous group. The impact of such discrimination will result in a difference of 3 to 4 thousand rupees per month in the pension amount drawn by an employee who retired in October 2020 and another one retired in December 2020. One finds it difficult to digest how the signatories who are well enlightened, well experienced and representing the mainstream Banking Trade Unions could agree to such an illogical and irrational settlement, creating a divide among its own trusted rank and file and thrusting upon them lifelong cash

loss of six to eight lacs.

The anomalies in 11th Bipartite Settlement do not end up with the above lapse. Increase in number of stagnation increments to nine and its effective date of implementation had resulted in wide range of representations from many who were kept out of the benefits due to ambiguous interpretation of the instructions laid down. Similar issues on denial of stagnation increments to many employees who retired under 10th Bipartite Settlement and prior to 2015 still continue and remain unsettled even now. IBA recently came out with its circular dated 29th January 2021 clarifying the position of 10th Bipartite Settlement retirees and the benefit of notional increment extending to all those who retired during the period from 1-11-2012 to 30-04-2015. However the same is yet to be implemented by many banks including State Bank of India.

It is unfortunate that even after going through a long drawn process of more than three years of threadbare discussions, calculations and assumptions, the so-called highly intelligent experts who run the country's financial wagon are not able to release an error-free and fool-proof settlement devoid of ambiguity and anomalies. We urge upon our Bank Management to have a dispassionate approach to these very pertinent issues we have explained above and to initiate immediate measures to rectify the anomalies and do justice to those who are deprived of it.

It is disquieting that whereas the arrears of salary revision has been paid to all the serving staff and Officers, our members who retired well within the settlement period and who are eligible for revised salary as per the settlement are yet to be paid their arrears even after a lapse of three months. If the payment of arrears is this much delayed how long it will take to give effect for the corresponding revision in pension?

"A stitch in time saves nine." Had the settlement process been completed and agreement signed well before the start of the next settlement period it is certain that a lot of additions such as 'notional', 'effective date' etc. would not have found a place in the settlement.

SBI Pensioners' Association Kerala Opens its New Offices at Kollam and Thrissur

It became another red letter day for SBI Pensioners' Association Kerala when Shri Ravi Kiran, our beloved Deputy General Manager at Kollam Administrative Office declared the opening of our Office at Kollam AO premises by cutting the ribbon and lighting the traditional Nilavilakku on 24th February 2021 in the presence of a huge gathering which included Regional Managers at RBOs, staff members from Kollam AO and Kollam Branch and our members from Kollam and Pathanamthitta districts. The galaxy of leaders present on the occasion also included Sarvashri Jayakumar, our General Secretary, John Joseph, former General Secretary, Surendranath Bhas, N Ganapthykrishnan, Deputy General Secretaries Thiruvananthapuram and Kollam respectively, Ramakrishna Pillai, AGS Kollam, TC Purushothaman Pillai, PI Mathew, District secretaries, Kollam and Pathanamthitta, Mohanan, former State Committee Member, Pathanamthitta, Gopakumar District President, Kollam, Ratheesh, AGS SBIOA, and Akhil, DGS, SBSU.

Shri Ravi Kiran DGM, in his brief inaugural address paid rich compliments to the Pensioners' Association and the cordial relation being maintained between AO management and the Association. He assured that the AO management would be there always to look into the issues brought before the management and to resolve them without any time delay. He also assured that he will provide other required facilities in

the office in the coming days. Shri A Jayakumar thanked the DGM for providing the office space for our Association in the AO premises, which would definitely remain a comfortable shelter for the pensioners and retirees who visit the AO occasionally, more particularly Bank's Dispensary. He also read out a message received from Shri Rajeevan, our president, who could not attend the function due to the Covid restricted circumstances.

Comrades, it needs special emphasis that this is the maiden occasion at national level that our Management has moved a step forward in providing an office space for the recognized Pensioners' Association at AO level. It was in our structured meeting with the Circle Management held on 29th

December 2019 that we put forward our request for providing Office spaces at Administrative Office centres which was duly considered by our respected Chief General Manager, who instantly issued instructions for implementation of the same.

However, the Covid 19 situation that emerged all of a sudden amidst us impacted all the scheduled programs to a grinding halt which included the arrangements for opening our offices also.

SBIPA Kerala Office at Thrissur AO Premises Inaugurated

Our Association Office at Thrissur AO Premises was declared open on 10th March 2021 by Shri Rajesh R Yennamadi, Deputy General Manager, Thrissur AO, by lighting the traditional Nilavilakku. Shri TT Balakrishnan, our DGS, while welcoming the guests and all other participants expressed his utmost happiness over fulfillment of a long cherished dream of having an office on locale. He specially thanked the DGM for his sincere and wholehearted support to make our dream project a reality. Among all the six AOs, Thrissur was the first one who could complete the task. However, due to some technical snag the inauguration was delayed, he added.

Shri MR Janardhanan in his Presidential Address recalled the unstinted support extended by the DGM to the Pensioners' Association. He mentioned about the Bank's Dispensary which was a long pending request of the SBIPA, Thrissur, and now a reality due

to the constant follow up by our DGM. He acknowledged the excellent services rendered by the newly appointed doctor and thanked the DGM for identifying a doctor like Dr. Bayils Mathew, whose

services are praised by all the pensioners. Concluding his address he wished the newly opened office would definitely be a serene asylum for pensioners' fraternity.

The DGM in his inaugural speech fondly referred to the yeoman services rendered by the elders while they were in service. He recalled his persistent efforts and how it fructified in hastening the construction of Bank's own building at Koolothumpadam. He said whatever little he could do was because of the support of his team at AO, Thrissur, and he thanked each one of them for that. He requested other distinguished guests to join him in lighting the lamp who included Sarvashri Rajan P, AGM, SMECCC, Thrissur, Ramkumar, CM (HR), AO, Thrissur, Soman Warrior, Dy. Manager (HR), AO, Thrissur, Radhakrishnan R Menon, CM (Maintenance), SMECCC, Thrissur, Raghupathy, DGS, SBIOA, Thrissur, Sreevalsan, DGS, SBSU, Thrissur, TT Balakrishnan, DGS, SBIPA, Thrissur, MR Janardhanan, President, SBIPA, Thrissur, and Smt. K P Latha, Executive Committee Member, SBIPA, Thrissur.

In his felicitation Shri P Rajan, AGM, SMECCC, Thrissur, expressed his happiness in being a part of the opening function of Office of SBIPA. He said he also revered the retired elders for their dedicated efforts which only helped the Bank to reach such astounding heights today. Shri Ramkumar, CM (HR), AO, Thrissur, expressed his happiness in arranging the first office space in the Circle for the Pensioners' Association though the inauguration got delayed due to some unforeseen reasons. He thanked the DGM for giving him all the guidance in this regard. Shri Raghupathy, DGS, SBIOA, Thrissur, in his address expressed happiness in being a witness to such a memorable function. He wished good health to all the retired persons of the Bank. Shri Sreevalsan, DGS, SBSU, Thrissur, expressed his happiness that he could participate in the office inaugural function of his senior colleagues in SBIPA, Thrissur. He said that elders were to be revered and respected which is a good old Indian tradition because the fruits we are enjoying are the results of their hard work. Shri VG Chidambaran, District Secretary, SBIPA, proposed the vote of thanks. He in his speech gratefully acknowledged the efforts by DGM for providing a well functional office for the benefit of pensioners. He further complimented the positive approach by DGM in resolving the issues of the pensioners which he could observe on many occasions especially in the quarterly structured meetings held between the management and Pensioners Association. He thanked all the dignitaries and invitees who attended the function and made it a big success.

The meeting came to a close at 4.45pm.

SBIPA Executive Committee decides to hold 20th Annual General Meeting on 8th May 2021

The Executive Committee meeting of SBIPA Kerala was held on Saturday, 6th March 2021 on Google

Platform. The meeting which commenced at 10 am was presided over by Shri K Rajeevan, State President. In his opening remarks President highlighted the important events that had taken place since the previous EC Meeting which was held on 6th December 2020 on Google platform. He expressed his happiness that all the district units have held their EC Meetings in virtual platform as directed by the State Committee. Even though a few of the District Committees were apprehensive of the successful conduct of the online meetings due to technical issues including connectivity problems, it is indeed a very promising development that all the districts could conduct the meetings very successfully. He also informed about the inauguration of our Office at Kollam AO on 24th February 2021 and congratulated Team Kollam and Shri Ganapathikrishnan, DGS, Kollam AO, for being the first one to open Office at AO level. He also added that the Office at Thrissur AO is fully kept ready and is awaiting inauguration. He further added that the day's meeting assumed much significance as it had to finalize its decision regarding conduct of the 20th Annual General Meeting. The 19th AGM as all of us are aware, which was scheduled to be held on 24th May 2020 at Thrissur had to be desperately postponed under the severe Covid 19 situation prevailed in the country at the material time. Even though the present situation has not come back to total normalcy, due to the relaxations permitted by the Government authorities it is possible to conduct physical meetings under strict compliance of Government directives, he added. He further informed the house that an open debate on the issue would be followed after presentation and approval of General Secretary's Report and financials for the quarter, and requested each District representative to come out with their suggestions, opinions and proposals.

Shri Jayakumar, General Secretary in his opening remarks narrated the developments including the payment of arrears in respect of 11th Bipartite Settlement. He further explained about the anomalies which exist especially in eligibility of stagnation increments and the discrepancy in

payment of special allowances. He added that having retired during the 11th Bipartite Settlement period, he himself was a victim due to the anomalous payment of special allowance received by him.

The meeting thereafter deliberated in detail of conducting the 20th Annual General Meeting of SBIPA Kerala. President requested all the office bearers and the district secretaries to come out with their opinion of holding physical meeting. The participants after analyzing all the important aspects including the risk factors of conducting the physical meeting came out with the unanimous opinion that the meeting must be held strictly in accordance with the Covid protocol regulations imposed by the Government. Accordingly it was unanimously decided to direct the host district unit Thrissur to commence preparations for conduct of the meeting on 8th May 2021 in the same venue as already arranged by them.

The meeting further discussed on issues of unsettled health insurance claims pending with the previous two insurance companies, viz. United India Insurance Company Ltd. and IFFCO TOKIO, Stoppage of family pension due to excess payment, opening of Bank Dispensaries at Kasaragod, Wayanad and Malappuram, Settling HTL account of deceased pensioners against SBI Life Master Policy etc. The meeting concluded at 5 pm after vote of thanks proposed by Shri Rajagopal TI.

Meeting with M/s. Anand Rathi Insurance Brokers

An online meeting with M/s Anand Rathi Insurance brokers was held on 9th March 2021 on zoom platform. S. ShriRajan Srivastava, Vice President, Pradosh Debnath from Mumbai, S. Shri Abhilash Varma and Stephin Thomas from Kerala Region were present in the meeting on behalf of Anand Rathi. From SBIPA Kerala all the Core Committee members excluding Shri Raja Kurup K, Vice-President, attended the meeting.

The meeting was specifically called for to discuss on the poor response and low registration in E-Pharmacy scheme by Policy B holders in Kerala State. It was reported that out of 4241 members who subscribed to Policy B, only 1058 registered in E-pharmacy scheme in Kerala, which is a very low percentage compared to all-India level. A power point presentation was made by Shri Pradosh Debnath in this regard which revealed the poor pick-up in comparison to other Circles.

The meeting deliberated in detail the reasons for the slow pick-up the first and foremost being non availability of Appolo outlet exclusively for the State. The present supply system is far from satisfactory as it is being done by a sub-agency engaged by the dealer in Chennai. There were cases of decline and unilateral cancellation of orders by the agency which had created lot of difficulties to our members.

The other difficulties brought before the meeting included difficulties experienced by members in uploading multiple prescriptions, partial supply of medicines in the orders placed etc. Shri Rajan Srivastava after listening to all the representatives assured to resolve the issues by taking up with the Appolo Pharmacy.

We further suggested arranging for release of proportionate subsidy portion simultaneously with every purchase so as to enable the policy holders to avail of the subsidy portion without waiting for exhausting the prescribed limit of Rs.6,000/- for which Shri Rajan Srivastava responded positively that it was being considered by the Bank and in all probability would be implemented from April. We also suggested that the E-Pharmacy facility which is at present available only for Policy B holders, should be made available for Policy A holders also so that there will be definitely increase in number of registrations, which they agreed to consider.

The other issues that were brought in the meeting included pending claim bills which remain unsettled

for more than two years with the previous two insurance companies namely, United India Insurance Company and Iffco Tokio. He assured to look into each case and requested us to forward the list of all pending bills so as to take up the same with respective insurance companies.

The meeting, as we observed, was so cordial and meaningful and positive results are expected in all the issues raised by us in the meeting.

General Body Meeting of Kasaragod District Unit at Bakel Club

The General Body Meeting of our Kasaragod District

Unit was held on Saturday, 20th February 2021 on the riverside lawns of famous Bakel Club, Kanhangad. Despite the Covid 19 restricted mobility, it was so heartwarming that all our members from Kasaragod to Thrikkaripur managed to attend the meeting, and spent a whole day with lot of amusement apart from transacting the usual meeting agenda items. The large gathering of

participants which included a good number of our family pensioners and senior elders proved how dedicated and committed our members are! Disregarding their age-related issues and inadequacies especially in the Covid pandemic tense situations they assembled well before the commencement of the meeting. It was a spectacular scene that our members, strictly observing the Covid protocol were seated in the open air meeting venue just on the banks of the beautiful flowing river.

The meeting began at 10.30 am with the welcome address by Shri M Krishnan, Treasurer, after which the meeting observed two minutes' silence to pay homage to those of or beloved comrades who left for their heavenly abode since the last meeting. Shri Vijayan, District Secretary, read out the condolence message. The meeting was presided over by Shri KL Kumar, District president. A detailed report of the unit beginning with the formation of the unit in the year 2015 with 9-member Executive Committee and the various activities undertaken thereafter was presented by the District Secretary.

After the discussion on the Secretary's Report the meeting further discussed on issues like stoppage of family pension to Smt. Umadevi, non-payment of overtime allowances to e-SBT officers for the overtime work performed during demonetization period, opening of Bank's Dispensary in Kasaragod, pension updation issues, court cases etc.

The cultural programme which followed thereafter was a real value addition to the meeting. Sarvashri M Prabhakaran, M Krishnan, Hemant Kumar and

Krishnan Pathanath offered a Melody treat by singing old Malayalam film songs.

The participants thereafter had the sweetest opportunity for enjoying a delicious Sadhya arranged

and prepared at the Bakel club. It needs to be specially mentioned that the entire programme was sponsored by Sarvashri Sanil Babu and VP Babu newly joined members of the unit.

The meeting concluded after Shri KV Krishnan proposed the vote of thanks.

Dear Sir,

XI Bipartite Settlement – Implementation Regarding

We would like to submit the following for your kind consideration and necessary action.

2. The Industry level XI Bipartite Settlement was signed on 11th November 2020. Revision of Special Pay, FPP, PQP and Other Allowances in respect of employees in our Bank was signed on 26th November 2020. It was also agreed, as per provisions of the settlement, that the financial benefits emanating therefrom shall be given effect to within a period of 90 days from the date of settlement. These benefits are due to working staff as well as those who have retired during the period from 1st November 2017 onwards.

3. Whereas the payment of eligible arrears in accordance with the revised settlement has been paid to all the working employees and Officers, it is highly disquieting to note that many of the retired employees and officers eligible for payment of arrears are yet to receive the payment even after a lapse of 108 days despite the instructions that payment to be completed within 90 days. Due to misinterpretation of stagnation increment eligibility clause, anomalies in payment of special pay, non-payment of Provident Fund deducted while paying salary arrears, non-payment of HRA on capital cost basis as per revised pay etc. many of the retired employees are unjustifiably being held and denied of their due payment, which is creating heartburns. You will kindly agree that erroneous calculation will definitely have a cascading effect on all the payments, including Gratuity, leave encashment, Pension fixation etc. which will have a long-standing recurring effect.

4. We express our strong resentment on the lethargy and ineffectiveness of the machinery which dealt with the process in our great Institution.

5. We request your goodself to take necessary steps to apprise the authorities concerned and arrange for release of monetary benefits to the pensioners/retirees community without further delay.

Yours faithfully,

(A Jayakumar)

Veteran Banking Trade Union Leader Shantharaju Passes away

With utmost grief we report that Com. Shantharaju, the doyen of Bank officers' movement in India who led the Bank Officers' trade union movement in India for more than three decades is no more with us and has left for his heavenly abode in the morning on 12th April due to Covid 19 pandemic.

A true, dedicated leader of Banking Trade Union Movement and a well knowledgeable person with extra talented negotiating skills, he was instrumental in bringing a number of benefits that the Bank Officers' community enjoy at present. He was the General Secretary of All India State Bank Officers' Federation, All India Bank Officers' Confederation and Convenor of UFBU for a longer period. He was in the Director Board of SBI as representative of SBI Officers. After retirement from the Bank he actively involved in SBI Pensioners' Association and was elected as the President of Karnataka Circle and also later became the Senior Vice President of Federation of SBI Pensioners' Associations which he continued till last. With his unexpected and untimely exit we not only have lost a tall leader but a well dependable guardian of Pensioners' movement.

SBI Pensioners' Association Kerala dip its banner to pay homage and respect to our dear Shantharaju.
