Editorial

Is it a Ray of hope?

The Ministry of Finance, by their letter dated 6th March 2019, have granted approval for updating pension to the pensioners in Reserve Bank of India with a notional increase of 10% in pension plus DA with wage agreements done in 2002, 2007 and 2012. As per HRMD letter dated 7th March 2019 issued to all offices, the revision will be effective from March 2019.

While rejoicing over this remarkable achievement one should also have the reminiscence of the concerted efforts including the long drawn agitation by the serving employees and officers of Reserve Bank of India which lasted for more than a decade. In the process, they suffered many setbacks due to unjustifiable and discriminatory attitude of the Central Government.

Pension was introduced in RBI with effect from January 1, 1986, in lieu of Contributory Provident Fund (CPF). An assurance was given that it shall generally be on the lines of Central Government Pension Scheme (CGPS) and any improvement in the latter will be extended to RBI pensioners also. As the Centre improved pension periodically with every pay revision, the pension in RBI was also brought in alignment with the pay scale of 1997-2002 covering pensioners up to October 2002. This was, however, objected to by the Ministry of Finance which forced the withdrawal of the same in 2008, despite a Bombay High Court directive. The HC was of the view that the government cannot override a decision taken by the RBI's Central Board just by writing a letter. However, there was no effect as the HC had mentioned that these directions have not been given under any statutory provisions and, hence, do not have a legal validity to challenge the RBI circular. Successive RBI Governors and its Central Board have been sympathetic and have repeatedly taken up the pension updation issue with the Centre but of no effect. The Parliamentary Committee

on Subordinate Legislation had unanimously recommended that RBI be allowed to extend one more option of pension. While the objections were raised by the Government every time when the issue was brought before them with substantiating evidences and supporting documents, it had on the other side no objection and went on updating the pension of more than 55 lakhs Central Government employees. Besides, the Centre had also updated the pension of 25,000 professors and non-teaching staff of UGC sponsored Universities.

It is under the above circumstances that the four Unions of employees and Officers of RBI decided to go on direct action under the banner of United Front of Reserve Bank Officers and Employees (UFRBOE) and to go on a two-day mass leave on September 4 and 5, 2018, which forced the Government to come out of its earlier rigid stand and seeking two months' time to settle the issue. Though the Government made attempts for buying time, it had to succumb before the strong will and determination by UFRBOE by which the decade long burning issue could find its logical conclusion.

Well comrades, the updation of our pension issue for which we have been fighting for almost a decade and a half is also one and the same. The unity that began with the coordination of Bank Retirees and Pensioners as per the historic decision on 24th October 2018 in New Delhi must pave way for another landmark achievement in the days to come. The route has been well cleaned up cleared by our brethren in RBI. They have proved that nothing is impossible. No Government, no ruler can withhold what is genuinely and justifiably due. We are confident that the Banking fraternity under the banner of United Forum of Bank Unions shall remain in the forefront in our pursuit to victory.

Believe it.. it is a Ray of hope! No doubt at all!!

of the pioneer Bank of our country. He specially expressed his heartfelt thanks to the organisers for giving him the opportunity to participate and address the august audience. He explained, in detail, about the unprecedented changes that are being brought into the Banking function to transform it to the Digital Banking. He also added that the services of many of our retired officers are now being utilised by the Bank in different areas. He referred about Bank's recent initiative "Nayi Dishaye" and the commendable participation by retired officers in successfully conducting the training programmes. He concluded his inaugural address saying that the present stature of the Bank, no doubt, could be achieved only because of the dedicated services rendered by the elders and seniors of SBI family.

Representatives of SBIPAK at the Meeting

Shri A Ramesh Babu, General Secretary, extended a warm welcome to all the members on the eve of 34th Annual General Meeting of the Federation. He said all the retirees irrespective of their age are disciplined soldiers and willing to market any scheme brought by the Bank. He said that the pensioners' community is suffering from poor supply of medicines in time in all the dispensaries maintained by the Bank. Even the recently re-introduced medical schemes for the benefit of prospective retirees are not properly brought to the notice of prospective retirees resulting in poor enrolment to the scheme. He profusely thanked Shri Rajesh Kumar for being with the members sparing his valuable time. Responding to issues referred by the General Secretary, CGM assured to take appropriate steps in ensuring supply of medicines to the pensioners. Shri GK Gandhi, General Secretary of the host affiliate, specially acknowledged the excellent support received from LHO and more particularly from AO Indore. He thanked Shri Rajesh Kumar, Shri Brahma Singh and Shri PK Balaji, DGM, Indore AO, for being with the inaugural session. Shri Deepak Kumar Basu, Secretary of the Federation proposed vote of Thanks.

The Business Session which followed after the inaugural session dealt, in length, with all the agenda items including the General Secretary's Report. General Secretary, while submitting the report mentioned that the meeting at Indore was an extended meeting of both GB and AGM held at Puri on 5th October 2018 where it was decided to hold another GB and AGM to discuss in detail and to decide on the proposed amendments to Bye-laws of the Federation as finalised at the meeting held on 23rd and 24th November 2018 at Hyderabad in a special of meeting of all Presidents and General Secretaries as per the direction of AGM held on 5th October at Puri. The house after a brief discussion approved the amendments to the Bye-laws of Federation. The house also decided to hold the election of office-bearers as per the amended Bye-laws. As per practice, an informal meeting of GB members took place at 5 p.m. in the evening to have discussion on the constitution of body for the triennial period 2019-22. Accordingly, consensus was arrived at for Sarvashri GK Gandhi as President, SB Gokhale, PK Pathak, Shantharaju and Upendra Kumar Dash as Senior Vice Presidents, A Ramesh Babu as General Secretary, Deepak Kumar Basu as Secretary and MS Mohan Rao as Treasurer. Apart from the above positions the Bye-laws also provided for creating additional posts of five Vice Presidents and five Dy. General Secretaries so as to maintain representation from each affiliate in the Governing Body. The affiliates of Bhopal and Delhi initially did not give consent for the amendments to the Bye-laws but later on, after a detailed explanation made by GS on the need for amendment to the Bye-laws, coupled with a request from other affiliates, they consented for the amendments.

The Meeting in session

The Annual General Meeting held on 24th February discussed in detail on all issues including inordinate delay suffered in reimbursement of bills submitted to the Insurance Company, non availability of subsidy in respect of unbearable premium amount especially for Family Pensioners, augmentation of Legal Fund, shortcomings in the reintroduced REMBS, etc. It was reported that there is no much enrolment in the New REMBS.

It was also suggested to publish a bimonthly bulletin of our Federation to have better communication and dissemination of information among the affiliates. We are happy to note that Sarvashri K Rajeevan, John Joseph, Joseph Palackal, Mathew Adackamundackal and Surendranath Bhas actively participated in the discussions.
