A JAYAKUMAR
GENERAL SECRETARY

MESSAGE

Thiruvananthapuram
21st May 2022

Dear Friends,

Seasons Greetings to all the members of SBI Pensioners' Association Kerala. As you are all aware that the 21st Annual General Body meeting of SBI Pensioners' Association Kerala is being held at Thiruvananthapuram on 28th May 2022. This meeting is being held exactly after 3 years since we met at Ernakulam in 2019. The Covid pandemic had prevented us from organising the General Body meetings in 2020 and 2021. I am happy that at least this year we will be able to meet in person.

Even though the physical meetings were not possible during this period, I am happy and proud to mention that this had not prevented us from serving the members. Wherever needed the issues were discussed and taken up with appropriate authorities through technology platforms and most of the problems faced by the members could be settled even during this pandemic period. I am happy that our district units had even held General Body meetings on online platforms (and occasionally offline too) and I am glad that most of our members also rose to the occasion and participated in the online meetings. The Management also took to the virtual mode to hold the structured meetings at the required intervals. Office spaces were made available to our Association at Thiruvananthapuram, Kollam, Kottayam and Trichur Administrative Offices during this triennial period. We are yet to get the office space at Ernakulam and Kozhikode Administrative Offices, which is being closely followed up by the respective Deputy General Secretaries. Most importantly, various burning issues are being followed up at Circle level by the Association and at Bank level through our Federation level also by us.

Many of our members also were tested positive for Covid during the period and there have been some casualties also, notable among them being the loss of our DGS Thiruvananthapuram Sri Surendranath Bhas. I bow my head in respect of all those who departed during this period.

As you know, the Association's website, is a good source of information to all members. I request all of you to keep visiting the site regularly and make use of the information available there. You may also suggest any modifications/improvements required in the site.

I call upon each one of you to spare your time to physically attend the 21st Annual General Meeting on 28th May 2022, participate in the discussions and make it a grand success.

I eagerly look forward to meet each one of you during the Conference at Thiruvananthapuram.

A Jayakumar
General Secretary, SBIPA Kerala
