

MEMBERSHIP

As mentioned elsewhere I am happy that there is substantial growth in our membership and it has crossed over 10000 as of now. I am certain that this could be achieved only due to the constant follow up made at each district level. The list of serving employees who are due for retirement is being provided to the District Secretaries each month and I am happy that some of the districts achieve hundred percent enrolments every month with their earnest and sincere efforts. I request all our district secretaries, AGSs and DGSs to keep regular follow up so as to bring all retirees in our fold. The list of members district wise and members who have completed 75 years/ 85years as on today are appended below. Let me wholeheartedly welcome all the new members and also assure them of our sincere support in settling their issues if any.
