

Membership

I am happy to report that we have achieved substantial growth in our membership. In my report submitted before 18th AGM I have shown the total membership as on 31/03/2019 as 6,965 with an increase of 870 new members. As on 31/03/2020 we have a total membership of 8,233 - an increase of 1268 new members. This was made possible only through the vigorous campaign by our District units. I must make a special mention of Sarvashri Joseph Palackal and Balachandran Nair for their concerted efforts and in providing the list of retirees every month to all the respective district units so as to enable them to contact the retirees and obtain the membership. I am happy that some of the district units like Kollam could achieve hundred percent success in getting all the new retirees to our Association. I request those district leadership who are yet to achieve the membership of all the new retirees to put in their best efforts for the same. The list of membership district wise is as follows:
